Math 421 # Student information **Please print!**

Name _____

Major(s) _____

E-mail address _____

A Rutgers address is best.

I would like to make a course web page with the information above displayed. This should increase the ability of students to work together in this course. Do you agree to having this information posted on the web?

YES _____ **NO** _____

Students in this course should have had the Rutgers three semester calculus sequence and a course discussing elementary ordinary differential equations and very basic linear algebra. Have you taken these courses successfully? Please explain any negative answer.

_____

_____

How familiar are you with symbolic/graphical/computational software such as `Maple` or `Matlab`? Please place a check mark somewhere on the line below:

Not at all					**Very comfortable**
0	**1**	**2**	**3**	**4**	**5**
