

Homework 8, Math 477, Fall 2018

Eric A. Carlen
Rutgers University

November 11, 2018

Instructions Do all of these problems – at least – but neatly write up and turn in *only* those that are marked with a *.

From the Problems in Chapter 6: 40*, 42, 44*, 48, 50, 56, 57*, parts (b) and (c) only.

From the theoretical exercises in Chapter 6: 19* , 28
